

50 Years of Gibbs Football

1968-2018

Brought to you by the Class of 1970

Sparks lit the fire that lives on today in Gibbs football. We were juniors then but senior adults today. However, our memories are vivid as ever about a young head coach named Ken Sparks, assisted by Richard Beeler, who took a group of boys that had never played football and turned them into a team who won their first game.
